PERSONAL—Rev. J. T. Lefkowitz, D. D., pastor of the First Presbyterian Church of Baltimore, and Rev. James I. Vance, of this city, will exchange pulpits to-morrow. Dr. Lefkowitz was, for several years, pastor of the Second Presbyterian Church here, and had many old friends and parishioners who will be glad of an opportunity to hear him again.

Mr. Wm. Gibson was stricken with paralysis yesterday at his home on Prince street, near Royal, and is now seriously ill.

Mr. W. H. Whaley is extremely ill at his home in West End.

Mr. J. Wesley Rawlings, of Roletown, was in the city to-day. He was a member of the famous 8th Va. Infantry during the war, and was severely wounded five times in the charge at Gettysburg. He was at last knocked down in the old field by a shell that killed four members of his company, and he believes that his life was saved by crawling behind the dead body of Mr. James Newton, a comrade in arms.

Mr. Newton was a very large, handsome man and brave soldier. The 8th was one of the regiments that composed Pickett's grand division, known now over the civilized world, with a name in history for all future time as unequalled for bravery. Gen. Eppa Hunton, commander of the 8th, fell in this engagement with an ugly wound in the leg.

Mount Vernon Avenue—A meeting of the directors of the Mount Vernon Avenue Association was held in Washington yesterday evening when Mr. B. Wilkins was elected a trustee and Col. Anderson a member of the executive committee to fill the vacancies caused by the death of Mr. E. W. Fox. Senator Barbour and Gen. Lee were present at the meeting by invitation, but Senator Daniel was unable to attend. A committee was appointed to adopt resolutions respecting the death of Mr. Fox. A committee was also appointed to request the boards of trade of the country and the Governors of the several States to petition Congress to make an appropriation to build the avenue. Messrs. Barbour and Lee spoke encouragingly of the proposed Congress assisting in building a national highway from Washington to Mr. Vernon, and both expressed their willingness to do everything in their power to assist the Association in its patriotic work. The Association adjourned to meet at the Board of Trade rooms in Washington on Tuesday evening next at 8 o'clock.

Assembly—The second assembly of the season was given last night at McBurney's Hall, and was well attended, a number of ladies and gentlemen from the neighboring cities being present in addition to the Alexandrians. The costumes of the ladies were both handsome and becoming and the music was delightful. Dancing was kept up till a late hour and all present enjoyed a pleasant evening.

The hall was handsomely decorated with potted plants and ferns for the occasion. Much to the regret of Mr. Harry Parks, who had charge of the entertainment.

Another Charter—Judge Norton today granted a charter of incorporation to the People's Gas Saving Association of Baltimore. The object is to provide and apply means by which the pressure of gas shall be regulated, &c. The capital stock is to be \$10,000 divided into shares of \$10 each. The principal office is to be at 218 King street, this city, and Mr. K. Kemper is named as the Alexandria agent. The officers are Messrs. Kelly, president; M. J. Amick, vice-president and C. H. Dickson, secretary and treasurer.

Richmond Terminal Company—At the annual election of the Richmond Terminal Company to be held in New York on December 9th, the competition of the directors will be completely changed, five new members coming in. The names of new directors are Jay Gould, George Gould, Russell Sage, Abram S. Hewitt and R. T. Wilson, the two last named gentlemen coming in at Mr. Irwin's special request. The names of the outgoing directors cannot be learned.

Opera House—Tennyson & Dawson's Grand Gift Carnival will begin a three nights' engagement at the Opera House on Monday. The artistic features of this company are said to be unsurpassed by any other combination. Mr. Fred Morphet, the magician, McCoy, McEvoy and Ma Tor are said to be unimitable. Little Nellie's dancing is so wonderful, the original Majilton is too well known to need special mention.

Police Report—Last night was clear and cold with one prisoner and five lodgers at the station house.

The Mayor this morning dispensed of the following case:

Frank McFarland, for being drunk and disorderly, was fined \$5 and in default of payment was sent to jail.

Masonic—After the work of expelling the Third Degree, which was conferred upon two candidates by Washington Lodge of Masons last night, the lodge adjourned to the Hotel Fleischmann, where a delightful supper was served. A number of brother Masons from a distance were present and a pleasant evening was spent.

MEDICINAL

NOTHING SUCCEEDS
LIKE SUCCESS.

The reason RADAM'S MICROBE KILLER is the most wonderful medicine, is because it has never failed in any instance, no matter what the disease, from LEPROSY to the simplest disease known to the human system. The scientific men of today claim and prove that every disease is

CAUSED BY MICROBES,

AND

Radam's Microbe Killer

Exterminates the Microbes and drives them out of the system, and when that is done you cannot have an ache or pain. No matter what the disease, whether a simple case of Malarial Fever or a combination of diseases, we cure them all at the same time, as we treat all diseases.

Asthma, Consumption, Catarrh, Bronchitis, Rheumatism, Kidney and Liver Disease, Chills and Fever, Female Troubles in all its forms, and, in fact, every Disease known to the Human System.

BEWARE OF FRAUDULENT IMITATIONS!
